03 —— A FEW WAYS TO WEAR IT

One uniform. Many days.

You probably have a few clothes you reach for more than the others. We think that's worth building around.

A different starting point

Brown Short-Sleeve Knit Polo / Dark Brown Pleated Trousers / Blue Button-Down Overshirt

04 —— A NOTE ON THE IDEA

Less to think about.

Most wardrobes have enough clothes.

What they could use is a little more thought about which ones belong there.

LVRY is a small collection of everyday pieces. Made to work together. Described without the usual sales pitch.

More about LVRY ↗

01 **Repeatable**

Clothes for ordinary days. The ones that happen most often.

02 **Considered**

A small range where every piece has a reason to exist.

03 **Plain-spoken**

Fit, fabric, measurements and care. The useful information comes first.

THE SHORT VERSION

**A few pieces.
Your own combination.**

That's the idea.

—— OCCASIONAL CORRESPONDENCE

The occasional note.

New pieces, useful updates and things worth sharing. No daily emails. We have other things to do.
